# Unleash Creative Potential

## Expressive Lyric Writing

Campers learn to transform their everyday thoughts, feelings, and imaginative stories into beautiful song lyrics. Through guided wordplay games, metaphor brainstorming, and sensory writing, children unlock their natural creative storytelling potential in a fun, positive, and collaborative environment.

## Intro to Melody & Chords

No prior musical training required! We introduce foundational chord structures and melody-building using simple ukuleles, keyboards, and percussion. Kids discover how tempo, rhythm, and different chord progressions can express powerful emotions and shape their very own musical identity.
